■ General Presentation

This Pardo 38 model year 2023 embodies the very essence of the Italian walkaround: iconic, taut lines, a high-performance hull and a design entirely focused on the pleasure of life at sea. Displayed as a show unit in strictly new condition, never registered, it stands out for its immaculate presentation and immediate availability.

Powered by twin Volvo D6-380 engines, the Pardo 38 delivers smooth, quiet and dynamic navigation, perfectly suited to day trips as well as longer coastal escapes. Its intelligent deck layout, modular cockpit and high-quality finishes create a convivial and harmonious living space, naturally oriented towards the outdoors.

Below deck, the interior layout offers two comfortable cabins, providing remarkable livability for a yacht of this size.

A compact and elegant yacht, ready to cruise without compromise, fully faithful to the DNA of Cantiere del Pardo.

■ Interior Layout

The interior of the Pardo 38 offers a contemporary, bright and welcoming atmosphere. Despite its compact dimensions, the space has been intelligently optimized to provide genuine onboard comfort.

The layout includes two cabins, comfortably accommodating up to four guests. The forward owner's cabin benefits from generous volumes and ample storage, while the aft cabin provides an additional sleeping area seamlessly integrated into the design.

Grey oak woodwork, refined lighting and the quality of finishes reflect the craftsmanship and attention to detail of Cantiere del Pardo.

Onboard comfort is further enhanced by reversible air conditioning (hot/cold), additional sound insulation in the engine room, and equipment designed to extend stays on board under optimal conditions.

■ Exterior Spaces

Primarily conceived as a high-end day cruiser, the Pardo 38 stands out for its particularly convivial and modular exterior spaces.

The aft cockpit offers a flexible layout with an electrically adjustable table, generous seating areas and Silvertex Plata exterior upholstery, combining elegance with durability. Access to the sea is effortless thanks to the extended aft platform, complemented by an ergonomic bathing ladder.

Forward, a large sunpad invites relaxation. The helm station, perfectly ergonomic, is equipped with full GARMIN electronics and the Volvo joystick, ensuring intuitive, precise and safe navigation.

Enhanced by integrated LED lighting and meticulous finishes, these exterior spaces make the Pardo 38 an ideal yacht for enjoying days at sea with family and friends.

■ Signature - The Italian Spirit ..

The Pardo 38 impresses with its rare balance between style, sportiness and ease of use. Its high-performance hull, combined with generous power and carefully selected equipment, delivers dynamic handling while maintaining an excellent level of comfort.

A compact yacht with a strong character, designed for those seeking Italian elegance without compromise on the pleasure of boating.

Maintenance & Warranty

This Pardo 38, model year 2023, is a brand-new, never-registered unit, with only 15 engine hours recorded for delivery and commissioning purposes. The yacht is covered by the Cantiere del Pardo manufacturer's warranty, including 5 years on hull and deck and 2 years on engines,

ensuring exceptional peace of mind for its future owner. A unique opportunity to acquire a brand-new yacht, under warranty, at a very attractive price, ready for immediate registration and launch.
